EMPLOYMENT HISTORY

Year Of Exprience	31

Background	Basically I have been working as an import and export officer for last 31 year starting from July 1995 to till now. i worked in different fields that include industrial, agriculture and health sectors. i always look after imports of business products for the companies i worked in. i am good enough searching new concept products, request sample and offer, put up to the manangment for final approval, placing orders, follow up shipment and clear the shipment from the customs. i do the same procedure for export, like communicate with clients, provide them offers and upon client confirmation complete documentation and shipment to the buyers. as an import and export officer, i worked in a textile company from July 1995 to Oct 1998 where i was responsible to import cotton from different countries and export cotton yarn and fabrics to local and international markets. thereafter in worked in a hospital from Nov 1998 to Dec 2002 where i was responsible to import all medical related accessories and equipment from different countries. from Jan 2003 to June 2005 again i worked in a textile company in the same post. from july 2005 to right now i am working as a technical clark in a group of companies in Saudi arabia that have different business activities like polystyrene processing, agricultural and trading and contracting. Here i am responsible to import fertilizers, seeds, agricultural machinery and agro-chemicals following rules and regulations the ministry of agriculture. also i supervise our seedling farm and greenhouses activities. for polystyrene processing department, i import raw materials, machinery, industrial chemicals and spare parts for our factory.
