Background	I am writing to express my strong interest in joining your transportation company in Italy as a professional driver. I am originally from Bangladesh and currently residing in Kuwait, where I work as a professional driver with three years of driving experience. I am enthusiastic about the opportunity to contribute my driving skills, professionalism, and dedication to your company. I have completed my Bachelor of Business Administration (BBA) in Finance from Northern University of Business and Technology Khulna, a university in Bangladesh. My educational background, combined with my professional experience, has helped me develop strong communication, organizational, customer service, and problem-solving skills. Before becoming a professional driver, I gained valuable work experience as a Sales Executive at Vivo Bangladesh, an Agent Banking In-charge at Islami Bank Agent Banking Bangladesh PLC, and a Field Officer at an NGO. These roles taught me the importance of responsibility, punctuality, teamwork, honesty, and maintaining positive relationships with customers and colleagues. My current driving experience in Kuwait has strengthened my commitment to safe driving, road awareness, time management, and professional conduct. I understand that working in the transportation industry requires reliability, patience, attention to detail, and a strong commitment to passenger and road safety. I am willing to learn your company's procedures, adapt to the Italian working environment, and improve my professional skills. I am particularly interested in building my career in Italy because I believe it will offer me an opportunity to grow professionally while contributing positively to your organization. I am prepared to work hard, follow company policies, respect traffic regulations, and perform my duties with dedication and integrity. Thank you for considering my application. I would welcome the opportunity to discuss how my experience, qualifications, and motivation could contribute to your team.
