EMPLOYMENT HISTORY

Year Of Expreience 5

Background	<p>My name is Mohammad Jahirul Hoque Mitun, and I am a dedicated professional with over five years of experience in the horticulture and agriculture sectors. My expertise lies in cultivating and maintaining plants, managing crops, and applying sustainable farming practices to ensure productivity and environmental stewardship. I have developed strong skills in pest and disease management, soil health optimization, and teamwork in diverse agricultural settings. I am passionate about working in agriculture and horticulture because I believe these fields play a crucial role in supporting global food security and environmental sustainability. My attention to detail, commitment to quality, and ability to adapt to challenging situations make me a valuable asset to any team. In addition to my core experience, I also have two years of working experience on Upwork, where I refined my communication, time management, and organizational skills while collaborating with international clients. This experience has broadened my perspective on global best practices and enhanced my ability to work efficiently in remote and dynamic environments. At present, I am actively seeking opportunities as a General Agriculture or Horticulture Worker, where I can apply my skills and experience to contribute to productive and sustainable agricultural operations. I am eager to learn, grow, and make a positive impact in my field of expertise.</p>
